

FRAUD ALERT – June 2020

Updated 30th June 2020

We are advised in June 2020 that someone is purporting to represent Robinson Healthcare, possibly from the Ukraine. The individual is reported to be offering Robinson Healthcare products for sale with details taken from our website. He offers to sell only on a proforma basis. Bank account details are provided on a proforma invoice that has not come from us and which asks for payment to a bank account that is not operated by Robinson Healthcare.

We can confirm:

- We have no employees based overseas.
- We do not have a Ukrainian office address.
- ‘Darwish Jihad’ is not an employee or representative of Robinson Healthcare.
- We do not correspond with potential customers by text or Whats App messages.
- We do not use ‘gmail’ or ‘hotmail’ email accounts.
- We do not list our products on ‘Alibaba’.
- We have no connection with a business “Values Services Limited” in the UK.
- We do not use “International Freight Courier Logistics” for international freight.
- All of our bank accounts are with Bank of Scotland in the UK.
- We currently have no gloves available for new export customers.

Please be alert for such fraud and please report it to your authorities as you are able.
